

Happy February!

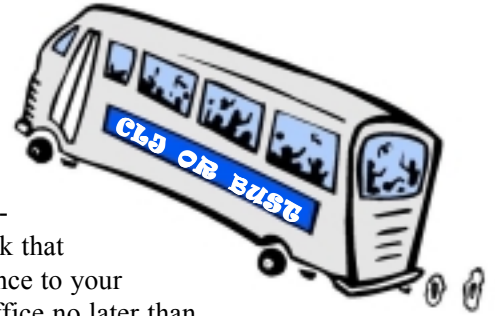

Just a few reminders to prepare you for Spring:

- 1) **Group Transportation on Opening Day:** If you would like to send your camper by bus or plane, please go to our website for information on transportation for selected terms, from Houston and Dallas. Our chartered buses continue to be the best way to get the boys to camp, but may also contract with Hill Country Limousine Service of Kerrville to pick up your son from the San Antonio airport on any Opening Day. Please inform us via email or phone **by April 15** of your Group Transportation needs for Opening Day.
- 2) **Footlockers:** Footlockers or a large trunk of some kind are essential for camp and may take a while to find. We have a couple of recommendations on our website. If ordering from C&N Footlockers, please ask about camp logos and color options and use promotional code TRAIL311JN to receive our special discount. Orders should be placed early to insure delivery before camp.
- 3) **Camp Physical:** Camper Forms will be mailed to you next month. However, if your son has not had a physical in the past year, he will need one before camp. If you have difficulties making appointments with your doctor, you may wish to go ahead and schedule one soon. You will need to take our Health Form (2 pages) with you to the doctor's office for his signature. This Health Form (along with others) can be found on our website by following the link, toward the bottom of the home page, to "Printable Staff and Camper Forms" or call or email us for a mailed copy.
- 4) **Packing List:** If you want a jump on other needed items, this may be found on our website under *What to Bring*. A complete list and extra information will also be sent in April.
- 5) **Tuition balance is due by April 15.** Please review the attached statement giving your tuition balance. If you are interested in extended payment plans, etc. please contact our office.
- 6) **Cancellation:** Although we're excited to have you with us, we realize that plans can change. As most sessions have waiting lists, we need to know as soon as possible if you will not be with us this summer. Call (830) 238-4621, fax (830) 238-4888, or email Lori at lori@lajunta.com if you must cancel. Please note: Our February 1st deadline has passed and deposits are no longer refundable, but may be transferable to another summer.

*Call if you have questions, and watch for more
information plus summer forms next month!*

Optional Transportation to Camp

Buses

Although most folks prefer to drive and enjoy a few days in the Hill Country, we will be arranging chartered buses from Houston and Dallas/FW. Cost will be determined depending on the number of boys using the bus -- approx. \$90 -- and we ask that you send this amount with your son's reservation. We will add any additional balance to your son's account later if needed. Cancellations for the bus must be received by our office no later than 1 month prior to departure in order to receive a refund -- May 7 for June campers and June 7 for July campers.

**** We need to have at least 20 boys to make this cost effective.
We will cancel a bus if we do not make this quota on a given bus and refund your fare. ****

Based on your early interest, we are arranging bus transportation for the following dates only:

June 7 (First Term/Session 1A campers) from **Houston** and **Dallas**
July 7 (Second Term/Session 2A campers) from **Houston** and **Dallas**

Buses will depart early morning, to arrive at camp around 1:00 p.m. Each will be chaperoned by at least 1 adult (volunteer parent). Luggage may be loaded on the bus or shipped ahead of time by UPS to: **Camp La Junta, 1661 Hwy. 39, Hunt, TX 78024**. Buses will not carry trunks for campers not riding the bus. More details about meeting time and place, etc. will be mailed with the confirmation of your reservation or when details are finalized.

What To Do

We must have your reservation by April 15.

Complete the form below and fax or mail it to us, or just e-mail the information. **Mail to P.O. Box 139, Hunt, TX 78024; fax to (830) 238-4888; or email cheryl@lajunta.com**. We will send you an immediate confirmation of your reservation by mail, fax or email. If you do not receive this confirmation within a week or have any questions, please give us a call. **NOTE:** We only arrange transportation home for special circumstances. Parents are expected to attend Closing Day events and transport their campers home.

Airport Pick Up

For over 30 years, we have contracted with a family-owned business, **Hill Country Limousine Service**, to pick up our campers from the airport. To use this very reliable, professional company, you should call them directly at **(830) 896-1429** as soon as your airline reservations are made. Fees vary, and should be paid directly to Hill Country Limousine Service (they will take credit cards or checks). After your reservation has been made with them, please call or email Cheryl@lajunta.com to let us know your plans.
