SCAVENGER HUNT

There's a whole world outside just waiting to be explored! And now that Spring is starting to warm things up, it's time to head into the yard and get a breath of fresh air. Get outside and find as many items on the list as you can!

THE LIST

Snail	Vine	Fossil	Colored Rocks	Quartz	Oak Leaf
Skipping Stone	Clover Leaf	Grasshopper	Moss	Trash	Weird Leaf
Y-shaped Twist	Fern	Grain of Sand	Butterfly	Animal burrow	Acorn or Nut
Small pebble	Deer	Deer tracks	Fungus	Worm	Caterpillar
Ant	Seeds or Pods	Snake	Berries	Beetle	Feather
Lizard	Ladybug	Insects on a tree	Frog	Bug-hole leaf	Cactus
Crawfish	Turtle	Birds nest	Cocoon	Poison ivy	Spider web

Maybe you found everything on the list. Maybe you can't find something on the list because it doesn't exist where you live. Either way, here's the CLJ twist for this scavenger hunt:

For every item found OUTDOORS, find an item INDOORS that RHYMES.

Share a photo of yourself with some of the items you found by tagging us with #cljdailydo or @camplajunta. Happy hunting!
