

CAMP LA JUNTA

# Daily DO #17

## TIC TAC TOE RACES

- Find 9 big baskets, pots, buckets or other things around the house and at 3 balls or something to throw (we rolled up socks).
- Set the buckets up in a tic tac toe grid (3 X 3).
- Mark a spot on the ground to stand behind and throw.
- Once you get the ball to stay in a container, run to the grid, take your ball out and turn the bucket over and leave your X or O on top.
- If you miss 3 times, you can run into the grid to gather all throwing objects and run back to the throwing line.

**The goal is to be the 1st to get three in a row vertically, horizontally or diagonally.**
