

CAMP LA JUNTA

Daily DO #41

FOAM PAINT

WHAT YOU NEED

- shaving cream
- your craft/school glue
- your food coloring

DIRECTIONS

Mix equal parts shaving cream and glue into a ziplock bag

Add your desired food coloring

With the bag sealed, squish the bag together until all your ingredients are nicely mixed together

Have your little artists create a layout for their design on a semi-rigid material (large white cardboard envelopes or cardboard works great)

When they're ready for the foam, simply cut off a corner at the bottom of the bag and use like you're piping icing.
