SUCK IT UP

Four straws are placed vertically on a stand. Using only a straw in the mouth, the contestant uses suction to pick up one of a small candy like a Skittle or M&M from a bowl, transfer it six feet, and balance it atop one of the vertical straws. Contestant must get one of the candies onto each vertical straw to complete game.

INSTRUCTIONS

1. Prior to game start, contestant stands next to the table with the bowl of candy with hands at their sides.
2. Once game begins, the contestant, using only their mouth, must pick up the straw that is standing in the bowl of candy
3. Using only suction with the straw, the contestant must transport one candy at a time and place it onto one of the upright straws on the end table.
4. Contestant may not touch the straw or the candy with anything but the mouth.
 - a. Only if a contestant drops the straw, may they use hands to place it into the mouth before resuming play.
 - b. If a candy falls off a straw, it is out of play and may not be re-used.
 - c. To complete the game, one candy must concurrently rest on the top of each upright straw within the 60-second time limit and must all remain that way for three consecutive seconds.

Contestant may not touch the straw with any part of the body except the mouth. In the event a contestant drops the straw, they may put it back in their mouth but must remove hand before proceeding.
