

CAMP LA JUNTA

Daily DO #8

FACE THE COOKIE

OBJECTIVE

Contestants, using only their faces, must move three cookies individually from their forehead to their mouth.

INSTRUCTIONS

1. Place a cookie on the contestant's forehead.
2. Starting cookie position must always be in the center of the forehead, not touching the eyebrows.
3. Game begins on GO.
4. Once the game begins, the contestant may use only their head to manipulate the cookie.
5. The cookie must remain in contact with the face at all times (i.e. may not be tossed from the forehead and caught in the mouth).
6. If a cookie falls off the face, a new intact cookie must be used for the next attempt.
7. To win the game, the contestant must move the cookie to his mouth without the help of any body part or object.
8. You can either time the individual person or can have multiple people competing at once. The person who successfully gets the cookie to their mouth, wins.

REQUIRED ITEMS

- at least 1 cookie per person
